- Current Student = Enrolled at WSU on September 1, 2017 , Current Student Service Indicator

#### Equity State & Institutional Grant Packaging Priority Filing Deadlines- Students entering Spring 2019

- New or Former students entering, spring 2019 or deferred their enrollment from fall 2018 who have submitted a **FAFSA or WASFA by January 31st, file ready by December 1<sup>st</sup>** . Cougar Commitment eligible students must have **applied to WSU by December 1st**.
- Check the specific item types within each formula to verify the on-time date. Students who did not meet the priority dates above are packaged on a funds available basis (this includes students attending spring semester only).

#### SNG & CBS Interaction Rules

Per State policy, there is 100% coordination between College Bound Scholarship & State Need Grant Awarding. Regardless of Institutional priority deadlines, CBS eligible students will be awarded for the maximum SNG award they are eligible for up to 65% MFI within available SNG resources. CBS student prioritization within SNG for maximum SNG awards will not be impacted or reduced by institutional gift equity policies or by institutional SNG-based prioritization policies, such as prioritizing by MFI level.

#### Self Help Requirements

WSU ensures award packages that include State Need Grant funding are subject to the program's 25% self-help rule, where 25% of the student's total cost of attendance must be covered with self-help aid, such as work-study, loans, EFC, or scholarships. SNG self-help requirements are waived for CBS eligible students. The SNG self help requirement is 12% for "at home" students with a Rm & Bd Living at Home Budget. Passport funding are considered self-help for the purposes of meeting the 25% self-help requirement within SNG.

#### State Aid Award Order

WSU awards state financial aid in the following order (assuming the student meets all eligibility standards for the program in question):

1. State Need Grant (SNG)
2. Passport to College Promise Scholarship
3. Other state grant funds
4. College Bound Scholarships ( CBS)
5. State Work Study (SWS)

#### Work Study Awarding

Work Study awarding is not included in automated packaging but to be considered for possible funding eligibility, the following applies:

- Student meets the priority Packaging Priority Filing Deadlines (refer to chart above).
- Student has checked on their FAFSA they wish to be considered for Work Study funding
- Student has to have an Actual Financial Aid Award with at least \$1000 of unmet need eligibility
- Student must find an approved Work Study job
- Student's completed WSAF is processed and they are manually awarded Work Study by the each the Work Study Program team, with Vancouver, Tric-Cities and Spokane staff posting their own Work Study Awards

#### WASFA Awarding – State Need Grant & Cougar Commitment

Students who qualify for State Need Grant & Cougar Commitment Award through the WASFA process are manually awarded this funding source as these students are not FAFSA filers. SNG funding eligibility is based off WSU's packaging policy for awarding these funds (priority dates, MFI ranges and limits). These students are not eligible for funding sources awarded from the FAFSA.
